## Congressman Tom Cole Visits Delta Community Action Lindsay Office

Oklahoma's 4th District U.S. Representative Tom Cole recently joined Delta Community Action Foundation staff for lunch and an opportunity to discuss hot topics pending in Congress.

Congressman Cole was very supportive of Delta's involvement within the community, Executive Director Karen Nichols reported.

Nichols and several program directors were able to spend one-on-one time with Cole highlighting program accomplishments and relating success stories.

Head Start Director Sharon Horton presented Cole a poster made of teeny, tiny fingerprints. She also presented him with the Annual Report that included outcomes, lists of partnerships, indicators of quality and testimonials.

Horton said Cole indicated he would continue to prioritize Head Start since it is a program that helps families and children.
