

# 2016 Human Services Conference Hosted by MCAP

## DHCD Housing & Energy Programs Agenda

DHCD Housing & Energy Programs is reimbursing their grantees for the expenses of May 4 & 5. All registrations will be validated by the WAP Office and final approval will be sent to all attendees

The 2016 Human Services Conference hosted by MCAP begins on Tuesday, May 3.

If you are attending the DHCD Housing & Energy Programs conference on May 4 & 5, you could also choose to attend the May 3<sup>rd</sup> events at no additional charge.

### Wednesday, May 4<sup>th</sup>, 2016

#### 7:00 AM

Registration Begins

#### 8:00 – 9:00 AM

Continental Breakfast

#### 9:00 – 10:30 AM

Hancock Software – Energy Database and Modeling Updates in 2016 PART 1

Hancock Software recently upgraded the database and modeling system in February of 2016. The updates which include: HEAT Mobile QC Inspections, ASHRAE 62.2.2013 Calculator, QCI Data Collection, Improved Home Owner Report, Call Center import, tracking and reporting, Placeholder for Post Retrofit Billing Data, Peak Demand Per Measure, Fuel Switch and Analysis, Edit CO Screens after invoicing, and Energy Model Enhancements will be reviewed in further detail.

*Presenter: Dan Chartier Vice President of Product Development (Hancock Software)*

#### 10:45 – 12:15 PM

Hancock Software – Energy Database and Modeling Updates in 2016 PART 2

Hancock Software recently upgraded the database and modeling system in February of 2016. The updates which include: HEAT Mobile QC Inspections, ASHRAE 62.2.2013 Calculator, QCI Data Collection, Improved Home Owner Report, Call Center import, tracking and reporting, Placeholder for Post Retrofit Billing Data, Peak Demand Per Measure, Fuel Switch and Analysis, Edit CO Screens after invoicing, and Energy Model Enhancements will be reviewed in further detail.

*Presenter: Dan Chartier, Vice President of Product Development (Hancock Software)*

#### 12:15 – 1:30 PM

Luncheon

**1:30 – 3:00 PM**

Standard Workscope Specifications & Quality Control Inspections – Understanding how to implement the standard workscope specifications into the Quality Control Inspector’s toolbox. The SWS define the outcomes of quality work within the home energy upgrade industry, setting uniform expectations that can be leveraged in energy audits, scopes of work, quality control efforts, and training. The SWS reflect a whole-house approach to installing energy-efficiency measures and include ventilation, insulation, air sealing, and more. Safe work practices, relevant codes, and [U.S. Environmental Protection Agency \(EPA\) Healthy Indoor Environment Protocols for Home Energy Upgrades](#) are also included in this resource.

*Presenter: Andrew Woodruff, Project Manager and Building Science Trainer (Community Housing Partners Energy Solutions Training Center)*

**3:15 – 4:45 PM**

Weatherization Awards Ceremony – The Maryland Department of Housing and Community Development Energy programs will recognize Local Weatherization Agencies and State weatherization Contractors who provide the highest quality and production for the Maryland low-income citizens.

*Presenter: Colin Choney, Senior Program Manager; Jonathan Bluey, Deputy Director (Maryland Department of Housing and Community Development)*

**6:00 – 9:00 PM**

Awards Dinner & Hospitality Suite immediately following  
(Included if you have registered for both May 4<sup>th</sup> & 5<sup>th</sup>. If you have only purchased one day of this conference, you must purchase a ticket to the Awards Dinner should you choose to attend. The cost is \$75. Please see website information for instructions.)

**Thursday, May 5<sup>th</sup>, 2016****8:00 – 9:00 AM**

Continental Breakfast

**9:00 – 10:30 AM**

ASHRAE 62.2 Indoor Air Quality and Ventilation Strategies in Energy Programs

The new ASHRAE 62.2 standards will introduce students to ventilation using a “house as a system” approach. This presentation will give a basic understanding of building science in addition to ventilation. A greater understanding of different ventilation strategies and how they relate to the house as a system will be provided.

*Presenter: Andrew Woodruff, Project Manager and Building Science Trainer (Community Housing Partners Energy Solutions Training Center)*

**10:45 – 12:15 PM**

Panel Discussion with Maryland Department of Housing and Community Development Staff – This is an opportunity for the network to discuss in open forum any questions or concerns regarding policies, program administration, and production.

*Presenters: Kiahnna Burney Assistant Senior Manager; Rob Niebauer Client Production Officer; Colin Choney, Senior Program Manager; Jonathan Bluey, Deputy Director; Joe Seehusen Director (Maryland Department of Housing and Community Development)*

**12:00 – 1:30 PM**

Partnership Awards Luncheon & Silent Auction
