History and Programs

Oregon Coast Community Action is the largest non-profit on the South Coast. Since 1965 ORCCA has worked to provide services and resources to help empower individuals and families facing poverty. ORCCA provides cost effective joint administration, leadership and support for children's programs and emergency services on the Southern Oregon Coast.

ORCCA aims to serve communities throughout Coos, Curry and Western Douglas Counties, implementing services and strategies which break barriers related to poverty. In 2015, ORCCA also began serving as the backbone organization for the South Coast Regional Early Learning Hub.

ORCCA's programs include;

CASA of Coos County

Court Appointed Special Advocates (CASA) of Coos County was established in 1993. Our mission is to recruit, train, and supervise volunteers to advocate for the best interests of abused and neglected children in foster care. CASA advocates are appointed by a juvenile court judge to speak up in court for the children and monitor their cases until they are placed in safe, permanent homes.

South Coast Head Start & Early Head Start (SCHS)

SCHS is a comprehensive early childhood program that serves children ages 0-5 and pregnant women of income eligible families throughout the Southern Oregon Coast. The program is funded by both state and federal grants. All services are provided at no cost to the families. Head Start provides activities for children that help them grow mentally, socially, emotionally, and physically. The program supports parents as the first and most important teacher of their children.

South Coast Regional Early Learning Hub (SCREL)

The purpose of the SCREL Hub is to develop a system that provides positive outcomes for children ages 0-8 and their families in our region. SCREL focus areas include system integration and development across all sectors of our communities with assessment of strengths, gaps, overlaps and outcomes that focus our development of a comprehensive menu of choices for families.

Great Afternoons

Great Afternoons is the only sliding-scale daycare service in the Reedsport area. Great Afternoons enables many parents to better support their families, seek higher education or other methods that can improve their lives, and the lives of their children.

Energy and Weatherization

The Energy Assistance and Weatherization program provides assistance to the citizens of Coos and Curry counties. Eligible residents can receive financial support to offset residential energy costs. Findings confirm that there have been dramatic increases in home energy costs

that impose a burden on fixed and low-income households. The Weatherization program provides free services to income eligible residents in Coos and Curry counties.

Housing

ORCCA operates multiple housing assistance programs aimed at supporting housing stabilization for individuals and families. Housing programs are designed to help low-income individuals, veterans and families maintain or transition into permanent housing. Services include but are not limited to; deposit, short and long-term rent assistance, housing crisis program and supportive services for veterans. ORCCA is a Fair Housing Provider.

South Coast Families First

SCFF provides employment skills workshops, youth skills workshops and intensive home visiting for families. SCFF also supports the Family Assistance and Support Team program providing transitional housing and intensive case management to families in crisis.

South Coast Food Share

As a program of ORCCA, South Coast Food Share (SCFS) has been focused on providing hunger relief and serving as the Regional Food Bank of Coos and Curry Counties since 1965. South Coast Food Share helps to provide an average of 1.8 million pounds of shelf stable, refrigerated and frozen food throughout its network of 48 Partner Agencies and Programs. SCFS also oversees the Snack Pack program which provides 536 youth weekend nutrition during the school year.

Living and working in Oregon's South Coast

The ORCCA main office is located in Coos Bay, Oregon in beautiful Coos County. Coos County is located on the Southern Oregon Coast, sometimes referred to as "Oregon's Adventure Coast". Water and outdoor activities are abundant with countless opportunities to surf, paddle, swim or float our ocean and rivers. Our nature trails invite you back time after time to check out their changing landscapes. ATV our legendary sand dunes or relax with a book on one of our many secluded beaches.

Coos Bay has a variety of grocery stores including a community owned co-op, Coos Head Food Co-Op. Our local brewery, 7 Devils hosts live music weekly. The Egyptian Theatre is a historic movie theatre that was originally built in 1925 and has recently been restored. The Coos History Museum, Coos Art Museum and Marshfield Sun Printing Museum provide opportunities to learn about local history and art. Our locally owned restaurants use local ingredients and serve as a hub for community connections.

It's not uncommon to have a 70 degree sunny day in January on the South Coast. While we have some stormy days, its generally temperate and pretty perfect here!

Timing and Application

Applications received by 1/17/2020 are assured full consideration, however this position is open until a successful candidate has been found.
