

SOUTHWEST HUMAN RESOURCE AGENCY

From the Director's Desk...

Happy Birthday America!

I hope this letter finds you all well and you will be able to spend some quality time with your family celebrating our Nation's 244th Birthday.

To say that the year 2020 has been an interesting year would be a major understatement. Without a doubt, it will go down as a year to remember. I am thankful daily for the leadership from our local elected officials during these uncertain times. Life is all about change and how we adapt to those changes defines who we are. I am happy to report that our family at Southwest Human Resource Agency is well and adapting to these changes. Our team was designated early as an essential business, so we have not missed a step in providing the essential services to our many clients. Whether it

is transportation, meals for school aged children or that hot meal for our seniors, keeping everyone safe and learning to face the challenges of a new day, our team has exceeded all expectations in serving others.

Our agency has been awarded several grants to help our communities during this COVID outbreak. Beginning in August, SWHRA will utilize CSBG Cares funding by providing mortgage assistance to households in danger of eviction/foreclosure who have experienced a decrease in income due to COVID-19. Assistance can be provided for one month's rent/mortgage payment not to exceed \$1,200.

Food vouchers will be provided to eligible households with a maximum assistance of \$300 based on the size of the household.

Applications for these and other programs offered by SWHRA can

be obtained at any of our local Community Service Centers.

I would encourage you to visit our website at SWHRA.org for the latest information on new and existing programs. Our website is an easy way to search for job openings and apply for a new and exciting career with our company.

Have a blessed day!

Yours in service,

Mike Smith

Executive Director
Southwest Human Resource Agency
