

## **Thrive Virginia Community Action Agency**

### **Executive Director Position**

Thrive Virginia, a 503c non-profit, Private Community Action Agency, is seeking a qualified candidate to fill the position of Executive Director. In collaboration with community and governmental partners, the Executive Director is expected to lead the agency and create pathways to self-sufficiency within the Community Action Agency's service area.

The Executive Director is expected to manage all aspects of the agency's operations in alignment with the organization's strategic plan, with an emphasis on the Whole Family Approach. The Executive Director is expected to lead the agency under the oversight of a tripartite Board of Directors.

The candidate selected should possess a strong knowledge of community action agency administrative operations and effective delivery of Community Services Block Grant program funding. Procurement of public and private sources of funding and active engagement with communities served are essential attributes for the successful candidate. A Bachelor's degree or equivalent work experience is required; a Master's degree is preferred. Upon receipt of a conditional offer of employment, a successful candidate will demonstrate eligibility for employment in the Commonwealth of Virginia and pass a criminal background check. Thrive Virginia is an equal opportunity employer committed to diversity and inclusion in the workplace. Thrive Virginia provides compensation and benefits commensurate with demonstrated experience and verified educational attainment.

Interested applicants should submit their resume' and a cover letter at <https://thriveva.org/executive-director-search/>.

Applications will be accepted until 5:00 PM, Friday, April 30, 2021
